GOVERNOR'S AID .- Yesterday, Governor Stevenson appointed Mr. John T. Griffin, of Harrison county, aid on his staff, with the rank of Colonel.

DELEGATES APPOINTED,-The Ohio County Medical Society at a recent meeting appointed Drs. A. S. Todd and J. C. Hupp, delegates to the National Medical Association which assembles at New Orleans in May next. The appointments by the State Society have not yet been made known, but will be in a short time.

DETAINED,-The train over the Hempfield Railroad, due here vesterday morning, came in about two hours behind time. We were told that the detention was caused by the breaking down of the passenger car. The damages were repaired so as to enable the train to reach the city, when everything was put in proper order and it left for Washington at the regular hour,

Town Cleck .- Theenterprising citizens of South Wheeling have just had a fine town clock put up in the tower of the Lutheran Church in that place. The clock was imported from Germany, and was started on its mission of measuring time, yesterday, as we are informed. It is said to be a good article and will be a great convenience to the inhabitants of that corporation. Will our city authorities make a note of

KILLED BY LEGISLATION .- It may not be generally known that after the first of April there will be no such officer as Overseer of the Poor, in this State. The duties heretofore discharged by the Overseers have been imposed on the Supervisors, as will be discovered by reference to the new Code.

There is another provision in the Code In which our country readers are more especially interested. We refer to the height of what is termed a lawful fence. From time immemorial the legal standard has been five feet, but after the first of April, fences to come within the requirement of the law need be only four teet high. If our country exchanges would make a note of the foregoing facts they might confer a favor on their

It is not often that theatrical troupes wear as well as the one now under consideration. They usually play themselves out in a week or two and are compelled to migrate for want of patronage. To-night two of the young ladies of the troupe take a benefit. The bill is a good one and will doubtless fill the hall, should the weather be favorable. To-morrow afternoon a grand matinee will be held, affording ladies and children an opportunity to witness the tine acting of this splendid troupe-Tickets for reserved seats can be secured daily at the hall from 10 A. POLICE COURT .- There were two cases in the police court on Wednesday, which escaped our attention. Magnus failing to establish it, Long was discosts to pay.

The entry on the record book reads: ,'judgment confessed;" a fine of one dollar and costs was assessed and

paid. Yesterday morning there were two parties before the Court for offences of a similar nature. Frank Moran was charged with driving his horse and cart on the payement in front of the Cathedral on Fifth street. The cartman plead ignorance of the ordinance. His confession and the eyidence fully established the charge. A fine of one

dollar and costs was imposed. Samuel Creighton was next called to answer for riding on the sidewalk. The offence was alleged to have been committed on the Island, and the evidence was clear and direct. It was stated thrt horsemen and wagonmen, too, are in the habit of using the sidewalk just beyond the round-house, for purposes not at all contemplated in its construction. Creighton's was the first case of which official notice in that locality had been taken, and to serve as a warning to persons in the future,

he was fined one dollar and costs. LADIES are invited to attend the auction sale of Dry Goods, at 2 o'clock P. M., at G. H. Kurz's, as he will offer his

RIVER NEWS .- The river was rising Adler & Co.'s pretty rapidly last evening, and those who profess to be ribated in such metwho profess to be posted in such matters predict a considerable freshet. The rain of Tuesday and Tuesday night seems to have been pretty general, and a day or two more will probably bring us a big river. A telegram from Pittsburg, received yesterday, reports eight feet, nine inches in the channel and

> Great inactivity prevails in steamboating in this region. There appears to be literally nothing to do. Still the local packets continue to make their regular trips, but at a positive loss we should think: The Golden Eagle arrived on Wednesday night, and in order to get back on her regular day of leaving for Cincinnati, her officers concluded to remain here until Tuesday next. By that date the damage recently sustained by her machinery will be fully repaired, and she will be in complete trim in other respects. Passengers and shippers will

find her all right. We notice that the work of recon structing the New State is being pushed with commendable vigor. The frame of her cabin is nearly all in position, and work on the interior will be prosecuted as rapidly as possible. It is thought, we believe, that she will be much superior in every respect, than when first bulit.

The ever-popular packet, Rebecca Capt. Booth, is the boat for Parkersburg to-day. She leaves at 11 A. M.

GEO. H. KURZ will offer his entire stock of Dry Goods at auction sale commencing to-day at 2 o'clock P. M.

SENT TO JAIL, -On Wednesday, Peter Krusch, who is extensively engaged in growing grapes just east of the city, and who manufactures wine and grape brandy to some extent, missed from a barrel in his distillery several gallons of the latter named article. Complaint was made before Judge Johnston and officer to search a certain house in North Wheeling. In discharging that duty, three flasks of the brandy were found secreted about the premises and the occupier thereof was arrested and brought before the Justice. The examination brought out the fact that the party under arrest was not the guilty one, but that a boarder with him (who was Mr. Krusch's distiller) had brought the liquor to the house. The prisoner was thereupon released. All this occurred on Wednesday night, and after the examination closed, a warrant was issued for the arrest of one John Trusch. the employe. He was secured and yesterday afternoon was brought before the same Justice. He denied his guilt in very emphatic German, but the evidence was so strong against him that he was committed to jail. Trusch has been in the country a few weeks, and from present appearances has been remarkably successful in getting into business. The quantity supposed to have been taken by him is said to be worth sixty or seventy dollars, and unless he can show his innocence, he
